# THOMSON REUTERS PRACTICAL LAW™

Your time-saving legal guidance solution, offering practical resources created and maintained by our in-house team of legal experts to give you reliable answers, fast.

“When I was an in-house lawyer, I used Practical Law’s global and UK materials to help me find quick, concise answers and reliable templates. However, there was a gap in coverage when dealing with issues concerning local law. With our Hong Kong materials, we are bringing Practical Law into focus for the Hong Kong market, enabling users to advise faster and more effectively.” - Bryan Jung, Practical Law Hong Kong Lead.

Featured Practice Areas are written and maintained by local legal experts so you're always up-to-date and ready to act and advise confidently.
