THOMSON REUTERS PRACTICAL LAW™

Your time-saving legal guidance solution, offering practical resources created and maintained by our in-house team of legal experts to give you reliable answers, fast.

"Precedent documents and memos are essential tools for practicing law. But it's hard to maintain the currency and accuracy of precedents when lawyers are busy running a legal practice. Practical Law Hong Kong can help do this for Hong Kong legal practitioners, allowing them to focus on their top priority, their clients."

- Bryan Jung, Practical Law Hong Kong Lead
